DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2012

Statement of directors' responsibilities

The directors are responsible for preparing the financial statements in accordance with applicable law and regulations.

The rules of the Co-operative require the directors to prepare financial statements for each financial year. Under those rules the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Co-operative and of the profit or loss of the Co-operative for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Co-operative will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Co-operative and enable them to ensure that the financial statements comply with the Industrial and Provident Societies Acts 1965-2002. They are also responsible for safeguarding the assets of the Co-operative and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT

TO THE SHAREHOLDERS OF GREAT GLEN ENERGY CO-OPERATIVE LIMITED

We have audited the financial statements of Great Glen Energy Co-operative Limited for the year ended 31 December 2012 set out on pages 4 to 8. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the co-operative's members, as a body, in accordance with Section 9 of the Friendly and Industrial and Provident Societies Act 1968. Our audit work has been undertaken so that we might state to the co-operative's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the co-operative and the co-operative's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on pages 1 - 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Basis of audit opinion

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Co-operative's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements.

Opinion

In our opinion the financial statements:

- give a true and fair view of the state of the Co-operative's affairs as at 31 December 2012 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- have been properly prepared in accordance with the Industrial and Provident Societies Acts 1965 to 2002.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Friendly and Industrial and Provident Societies Acts 1965 to 2002 require us to report to you if, in our opinion:

- proper books of account have not been kept in accordance with the requirements of the legislation; or
- a satisfactory system of control over transactions has not been maintained by the Co-operative in accordance with the requirements of the legislation; or
- the profit and loss account to which our report relates, and the balance sheet are not in agreement with the books of account of the Co-operative ; or
- we have not received all the information and explanations we require for our audit.

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Compliance with accounting standards

1.4 Royalty instrument

The Royalty Instrument represents an amount paid to secure an entitlement to a share of income less related costs from electricity and environmental attributes for a period of 25 years. The royalty instrument has a loan note element which ensures that net revenues will not fall below a certain level. The purchase price is repayable in full at the end of the term so no amortisation is provided.

1.5 Investments

Fixed asset investments are stated at cost less provision for diminution in value.

2 Operating profit
